CONTROL {"records":5279,"seq":54,"stream":"errata","tz":"Asia/Kolkata"}

ERRATA REGISTER ERR-001 REVISION A
Clause errata to run_spec revision 3.2 (approved; each replaces the quoted words):
C1 run_spec 5.4: "exceeds that benchmark's exclusion threshold" is replaced by "is at or above that benchmark's exclusion threshold".
C2 run_spec 6.5: "Tokens of overflow-skipped attempts are not consumed." is replaced by "Tokens of overflow-skipped attempts are consumed: the loader advanced past them."
C3 run_spec 7: "Its warmup is counted in steps of the stage feed." is replaced by "Its warmup and decay are counted in optimizer steps; overflow-skipped attempts take no step."
C4 run_spec 4.2 (d): "rounded to the nearest integer" is replaced by "rounded to the nearest integer, ties to even".
C5 run_spec 6.6 is confirmed: the loss of an attempt is token-weighted over all its records; a mean of per-node means is not the loss.

FIELD CORRECTIONS
Rows whose first cell ends with the dagger mark are provisional (run_spec 3.7).
