NINEFOLD CROWN APPEALS PANEL
PROCEDURE MEMORANDUM

Event identifier EV-7718
Event reference NC-6093-N5
Rounds settled 9

A clause governs this settlement only when its status reads operative and its event reference is the reference printed above. A rescinded, a superseded and an indicative clause each record what the panel decided not to apply. Where two clauses carry one key, the operative one is the clause that governs and the others are kept for the record alone.
