SOWERBY YARD BOARD  MINUTES OF THE REPLAN SITTINGS
Round key RND-2314-PENRHOS   round index 40

SITTING 34  RESCINDED IN FULL AT SITTING 39
Resolution 34-1 RESCINDED  the deferral rate for
  a charter job left out of the accepted set is charged per weight
  unit at
    class A  12900 mills per weight unit
    class B  12300 mills per weight unit
    class C  10500 mills per weight unit
    class D  9600 mills per weight unit
Resolution 34-2 RESCINDED  the working store retains
  at most 48 derived entries.
Resolution 34-3 RESCINDED  a pool is within its
  capacity while usage stands below the available quantity.
Resolution 34-4 RESCINDED  a charge above 93000 mills is
  implausible and the job carrying it is reported to the desk.

Minute 34.1  the surveyor reported on the coating trials.
Minute 34.2  the surveyor reported on the coating trials.
Minute 34.3  the berth desk reported on the tide window.
Minute 34.4  the surveyor reported on the coating trials.
Minute 34.5  the owner representative asked after the shaft draw.
Minute 34.6  the surveyor reported on the coating trials.
Minute 34.7  the owner representative asked after the shaft draw.
Minute 34.8  the owner representative asked after the shaft draw.
Minute 34.9  the class society noted the survey backlog.
Minute 34.10  the surveyor reported on the coating trials.
Minute 34.11  the owner representative asked after the shaft draw.
Minute 34.12  the desk reported on the crane maintenance window.
Minute 34.13  the class society noted the survey backlog.
Minute 34.14  the berth desk reported on the tide window.
Minute 34.15  the berth desk reported on the tide window.
Minute 34.16  the desk reported on the crane maintenance window.
Minute 34.17  the owner representative asked after the shaft draw.
Minute 34.18  the surveyor reported on the coating trials.
Minute 34.19  the berth desk reported on the tide window.
Minute 34.20  the owner representative asked after the shaft draw.
Minute 34.21  the desk reported on the crane maintenance window.
Minute 34.22  the class society noted the survey backlog.
Minute 34.23  the berth desk reported on the tide window.
Minute 34.24  the class society noted the survey backlog.
Minute 34.25  the desk reported on the crane maintenance window.
Minute 34.26  the owner representative asked after the shaft draw.
Minute 34.27  the owner representative asked after the shaft draw.
Minute 34.28  the surveyor reported on the coating trials.
Minute 34.29  the owner representative asked after the shaft draw.
Minute 34.30  the berth desk reported on the tide window.

SITTING 39  IN FORCE FOR ROUND 40
Resolution 39-1  the deferral rate for a charter job
  left out of the accepted set is charged per weight unit at

    class A  17100 mills per weight unit
    class B  16500 mills per weight unit
    class C  14700 mills per weight unit
    class D  13800 mills per weight unit
Resolution 39-2  the working store retains at most
  34 derived entries. The entry read or written
  longest ago is dropped when a further entry arrives at a full
  store. Dropping an entry moves no published quantity.
Resolution 39-3  a pool stands within its capacity
  while usage is at or below the available quantity, so usage
  equal to the available quantity is within capacity.
Resolution 39-4  a charge above 123000 mills is
  implausible and the job carrying it is reported to the desk.
Resolution 39-5  the shift lengths and the pool
  weights are those of the parameter workbook sheet whose key cell
  matches the round header. The retired scale table settles nothing.

Minute 39.1  the board noted the carried commitments.
Minute 39.2  the surveyor reported on the licence renewals.
Minute 39.3  the board noted the precedence directive stands unchanged.
Minute 39.4  the surveyor reported on the licence renewals.
Minute 39.5  the desk reported on the amendment load.
Minute 39.6  the board noted the precedence directive stands unchanged.
Minute 39.7  the desk reported on the slot groups.
Minute 39.8  the board noted the precedence directive stands unchanged.
Minute 39.9  the desk reported on the slot groups.
Minute 39.10  the desk reported on the amendment load.
Minute 39.11  the board noted the precedence directive stands unchanged.
Minute 39.12  the desk reported on the slot groups.
Minute 39.13  the desk reported on the slot groups.
Minute 39.14  the surveyor reported on the licence renewals.
Minute 39.15  the desk reported on the slot groups.
Minute 39.16  the desk reported on the slot groups.
Minute 39.17  the board noted the carried commitments.
Minute 39.18  the desk reported on the amendment load.
Minute 39.19  the board noted the precedence directive stands unchanged.
Minute 39.20  the board noted the carried commitments.
Minute 39.21  the board noted the precedence directive stands unchanged.
Minute 39.22  the board noted the carried commitments.
Minute 39.23  the desk reported on the slot groups.
Minute 39.24  the surveyor reported on the licence renewals.
Minute 39.25  the surveyor reported on the licence renewals.
Minute 39.26  the board noted the precedence directive stands unchanged.
Minute 39.27  the board noted the precedence directive stands unchanged.
Minute 39.28  the surveyor reported on the licence renewals.
Minute 39.29  the board noted the carried commitments.
Minute 39.30  the board noted the carried commitments.
Minute 39.31  the board noted the carried commitments.
Minute 39.32  the desk reported on the slot groups.
Minute 39.33  the board noted the precedence directive stands unchanged.
Minute 39.34  the surveyor reported on the licence renewals.

APPENDIX A  CARRIED COMMITMENT SUMMARY BY PRECINCT
  PCT-ALG  berth_quarter_days  carried 79 units at the prior close
  PCT-ALG  crane_lifts  carried 263 units at the prior close
  PCT-ALG  crew_minutes  carried 51 units at the prior close
  PCT-BRH  berth_quarter_days  carried 691 units at the prior close
  PCT-BRH  crane_lifts  carried 101 units at the prior close
  PCT-BRH  crew_minutes  carried 48 units at the prior close
  PCT-CDW  berth_quarter_days  carried 327 units at the prior close
  PCT-CDW  crane_lifts  carried 518 units at the prior close
  PCT-CDW  crew_minutes  carried 833 units at the prior close
  PCT-DNM  berth_quarter_days  carried 546 units at the prior close
  PCT-DNM  crane_lifts  carried 810 units at the prior close
  PCT-DNM  crew_minutes  carried 230 units at the prior close
  PCT-ELS  berth_quarter_days  carried 609 units at the prior close
  PCT-ELS  crane_lifts  carried 866 units at the prior close
  PCT-ELS  crew_minutes  carried 129 units at the prior close
  PCT-FNW  berth_quarter_days  carried 500 units at the prior close
  PCT-FNW  crane_lifts  carried 596 units at the prior close
  PCT-FNW  crew_minutes  carried 551 units at the prior close
